

2020-21 Gym restrictions

The following protocols have been put in place to help ensure visiting teams and fans safety at our home facility. Please note these protocols may change depending on guidelines issued by Marietta City Schools, GHSA, the Department of Public Health and the CDC.

- All teams and visitors will enter the front entrance
- Coaches are expected to COVID screen their own players prior and coaches to entering building
- Locker rooms are not available to visiting teams or officials
- Water will not be provided. Water fountains are not available for use. Please bring your own water bottles
- GHSA sideline COVID protocol practices will be in place.
- Stay at home if you or family members are feeling sick
- All spectators will be screened upon entry.
- Masks are **REQUIRED** at all MHS Athletic Events
- All events are “cashless” and require digital ticketing. Tickets can be purchased on site with the use of your device or a credit card (link/QR code below)
- Please do not purchase a ticket to attend the game in person if you are not comfortable being in a large crowd. We can reduce capacity to make sure that appropriate social distancing is possible, but we cannot individually enforce the distancing. If you become uncomfortable at any time during the event, it will be incumbent upon you to move to where you are comfortable. Our limited staff will not be able to spend time determining who was there first, who is comfortable, who is not, measuring space in the stands, etc. Anyone causing a disturbance in the stands will be required to leave immediately.
